

SCHOOL OR CLUB SPORTS?

SCHOOL

Free of cost

Play the same teams within your district, region, and state throughout the year

More intense and coaching/team experience can effect

Playing with teammates you see everyday and bond with

Will have a constant coach/teammate environment each season

CLUB

can vary on prices with different organizations, but is pricy.

More experience and travel opportunities

A more laid back version of the sport, but still competing competitively

Getting an opportunity to play with other students from different schools

May have a different coach and/or entirely new teammates each season

You get to play the sport you love and improve while doing it. Both opportunities are excellent

Which will you decide?
Or will you participate in both?
